Good to hear from you. Don Gotterbarn and Keith Miller have corresponded
with us. There is a third person (at IIT) from computer science,
Ilene Burnstein = CSBURNSTEIN@minna.acc.iit.edu. We three expected
to participate and study the process of settling on ethical
standards. Please keep us in touch. The weather is unseasonably
cold--not supposed to happen before Thanksgiving. Chicago is a
great city, especially for an architect.
