ABOUT US - Code of Ethics

[History](#) • [Qualifications](#) • [Our Approach to Business](#) • [Code of Ethics](#) • [Meet Our Team](#)

We want to honor the Lord in all we do by operating our business and interacting with clients in a manner that is consistent with Biblical principles. In order to do that:

1. We will conduct our business operation in a professional manner at all times.
2. We will treat our customers with respect and deal fairly, openly, and honestly with all with whom we work.
3. We shall honor all commitments that we make, whether verbal or written.
4. We shall seek to resolve in a fair and expedient manner any disputes that might arise.
5. We will strive to maintain and increase our professional competency through continuing education, conferences and industry certifications.
6. We will adhere to other guidelines that we profess to follow, such as the Duct Cleaner's Network guidelines.
7. We will strive for customer satisfaction, and will do our best to please you, our client. We work for you and will work in a manner that demonstrates our appreciation for giving us your business.
