Re: Copy of: Re: SEEPP RESTART

Manny,

I did receive your accounting stuff and incorporated as much as I could; things are getting repetitive.

I did not mean the message I sent with Dons note attached but the one from the restart with our outline attached. I sent it yesterday but I have not received it and I do not think you did.

Let me know if you do.

We are moving slow and now I am thinking the reply process to the list is not working. We have always had problems with the entire group.
