Dear Ed:

Enclosed you should find diskette with the I'D" draft of Code  
(identical to what you were faxed).

You should also have received a fax with this revision of M4.09, which I  
suggest putting in between D1.10 and D1.11 (as new 1.11, renumbering  
accordingly):

Assure that raw information used in software is accurate,  
derives from a legitimate source, and is used only in  
ways properly authorized.

Seem okay?

Sincerely,

Michael Davis
