I got the Don's text that you e-mailed me two days ago.  
I'm sure that Don does not remember me!

Read the response that Diane Crawford ( the executive editor of the CACM )  
has sent and tell me what you think. I feel that we should go for the year-  
long option.

How far your compilation of publishers has progressed?

Could you please send me your full address etc... in case I  
am successful in finding a British Publisher ..
