Vivian,

In response to your question about imperatives in categories with rational or preambles, open for discussion. Maybe give an example of one of the categories. I wasn't myself but each member can take a part or suggest a form.

By the way I will be in Chi 4/1 to 4/3 and have set up a lunch date with Mick, maybe you could join us and discuss the suggestion. It is tentively set for tuesday. I forgot you two were at the same place. Check with Mick.
