

May '95

Vivian,

I received the following E-mail  
when I contacted Chuck Howell from  
Mitre. I also contacted Keith  
Miller from Sangamon State. He has  
not done anything yet but will  
begin in June. He put me on his  
e-mailing list.

Also enclose an article  
from IEEE computer which is  
relevant.

Dave

MD- Sent  
by Dave quite  
some time  
back. Do you  
see a current  
use?
