Dear Ed:

I enjoyed your exchange with Cabrera. Thought you did a good job, too, in dealing with his points. If I have anything worthwhile to add, it is that (in some cases) he didn't pay close attention to the wording, for example, 1.01 does not require more than what is "possible" and its subsidiary clauses apply only as "appropriate".

One question: Discussion of 4.01 says "I agree with Dennis."
Who is Dennis? We don't seem to have his message in our e-mail file!

Sincerely,

Michael Davis
