Subject: Re: Code of Ethics

     I seem to have bitten off more than I can chew this semester. Seems to be
just a continuous cycle of work, teach, grade, sleep! I hope that is not
unethical!

     Until the problem of replying through SMTP to BITNET sites is fixed here,
I have to use an alternative method.

     I like the idea of an ethics conference.

     Best wishes,

     Manny.
