Re:    Copy of:  SOFT ENGR CERTIFICATION

Mr. Tipton, CCP

Did you know that the IEEE Computer Society and Assocation for Computing
Machinery have formed a Joint Steering Committee for the establishment of
Software Engineering as a Profession. Part of which is certification. I have joined
a working group on professional competence and hope to join one on certification.
But first, the education issues must be solved before certification according to
Dr. Mario Barbachi of the Software Engineering Institute, the head of the Joint Steering
Committee:
