Re: Copy of: Soft Engr as Profession

Dr. Barbachi,

Nice to talk to you on the phone today.

Again, I am very interested in joining the Certification Task Force when it starts.
But for now I will assist in any capacity you may need. As we discussed I feel
that a Software Engineer should have knowledge in the following partical list:
        Communication
        Real Time Systems
        Client/Server
        Project Management
        Parallel Computers
        etc., etc., etc.,

Let me know if I can be of assistences; please put me on the distribution list.

Ed Mechler, CCP
