Re: Copy of: Code of Ethics

I am presently a member of the Ethics Working Group
for the Steering Committee to Establish Soft.
Engr. as a Profession. I saw a reference to
your Code of Ethics in Beyond Computing Mag.
June 1995, page 17.
I would like a copy or where on the net I can bring
it down.
My e-mail address is:
          76105.3332@compuserve.com
Thank you.
